

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 2:34 PM

When you guys have a chance, I have more info on the Op.

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 2:36 PM

happy to chat when jason is ready, i can leave this call anytime

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 2:37 PM

Or we could just stay on after the 10:00? Whatever is easiest!

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 2:39 PM

yup that works!

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 2:41 PM

That works for me

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 5:51 PM

Tow trucks are at Swansea and are ready to go. It is my understanding that one of the operators (retired from OC) has been there to familiarize himself with the trucks. Bryden is aware of the potential operation tomorrow and it is my understanding Sam spoke to him as well. Spoke with Melissa for Ottawa U clinic. Sam had already spoken with her about closing it.

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 5:52 PM

Oc Transpo has advised that it would be very difficult for them to find operators for any requests for buses. Both unions have advised that their members are not to be driving in the Red Zone

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 5:53 PM

If Police want a bus, they would need to charter one.

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 5:54 PM

Even at that, the Union isn't supporting OC staff going into the red zone

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 5:54 PM

so even if they wanted to charter on, I don't think they can

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 5:56 PM

Correct. It will present significant labour relation issues

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 5:57 PM

Yup. So, private charter but some bus companies may not agree....

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 6:27 PM

Sam called Melissa Lavery and said the operation planned for tomorrow is now delayed

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 6:56 PM

Beth, I got a message from a friend of mine who works in facilities saying 'i hear conroy depot is the storage spot for the towed trucks and OC transport tow riggs will be towing them'

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 6:56 PM

I asked him where he heard it and he said everyone in his shop is talking about it

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 6:57 PM

Clearly we have a big confidentiality problem and its such a risk to the operations of this demonstration

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 6:57 PM

The facilities group is setting up the snow dump.

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 6:57 PM

that's fine, but they shouldn't be spreading it around the shop like gossip

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 6:58 PM

Im not sure who is sharing the information . Just noting that several groups are involved.

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 6:58 PM

yah for sure, I just don't want this to happen the way that the info got leaked with OC and we had to shift gears.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 7:02 PM

This is problematic but thanks for the heads up. I don't think we can switch gears on Conroy so I hope we don't see it on social media.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 7:03 PM

The good news is I think the OP has been canned due to the new police Chief coming in. Going back to the drawing board. Conroy may still be important but now, none of us know what the plan is. 😊

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 7:03 PM

Nothing to leak. 😊

"Scapillati, Silvia" <Silvia.Scapillati@ottawa.ca> 2/15/2022 7:12 PM

Haha perfect!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 8:46 PM

Staniforth, Jason - can you please liaise with Transit Services? We're hearing straight from GM Amilcar that OC operators want to drive the tow trucks now and that the union is on board. We would need to confirm the list of operators who have signed up for this. And, confirm any details.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 8:47 PM

Need to confirm this pretty fast.

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 9:50 PM

Status Quo. Tow truck driver will not be provided by OC. We may be able to get bus drivers for OC buses.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/15/2022 9:54 PM

Thanks, Jason. Do we know why GM Amilcar thought otherwise? No need to ask but just found it weird that there was this disconnect. But, if you don't know, no need to find out.

"Staniforth, Jason" <Jason.Staniforth@ottawa.ca> 2/15/2022 9:56 PM

OC tow truck drivers would be willing to go tow vehicles in the demonstration area only if all demonstrators are not present. This was a follow up meeting from the initial that the GM participated in.
